Reasons For my delay on deadline is Augusta State Prison never delivered any Legal mail to me Concerning an initial filing fee of \$7.70. My Family went online (Pacemonitor.com) and discovered the ORDER by Courts.

Another reason is Hays State Prison is Understaff, and all my Legal mail has been Sitting in the mail room which is an Violation of "access to the Courts".

Im just now receiving Legal mail that was post marked 8/23/2023 from the OFFICE OF THE CLERK, Brunswick, Georgia 31521 yet Hay S.P. mail room "Stamp received" reads 8/29/2023 but got it delivered to my cell on 9/1/2023 a (16 day delay), another Legal mail was post marked 8/15/2023 from Clerk, U.S. District Court, Augusta, Georgia 30903 yet Hay S.P. Mail room "Stamped received" reads 8/24/2023 but got delivered to my Cell on 9/1/2023 Approx. 7:00am - 11:30am by Sergeant MS. K, McGhee Location F-Building housing Unit F-1 Cell #126 CSU (Suicide cell). Due to the Sanction & being refused / denied protected Custody by Hays S.P. Supervisors I was forced in the room with another inmate who then

assaulted me physically I sustain two swollen eyes, (Page 3)  
& tried to commit suicide once being assaulted  
and having knowledge of the sanction placed  
on me by Defendant L. Jackson Counselor  
at Augusta State Medical Prison.

I have been on suicide status since  
8/22/2023 was taken off status on  
8/30/2023. I was placed on mental health case  
load and prescribed mental health medication,  
due to emotional & mental distress of a  
sanction being placed on my life by defendant  
L. Jackson Counselor.

Due to my mail being withheld by Hays  
State Prison I ask the Courts to  
order Prison Officials to (stop) the  
illegal action & unconstitutional misconduct  
& deliver legal mail to me as it is  
delivered to Hays State Prison, and  
that the Courts order Hays State Prison  
to place me on protected custody due  
to the sanction.

Respectfully Submitted,

Shaquille Rashad Jenkins
